

1603

The accession to the throne of England in 1603 of James of Scotland united the two countries under one crown.

In 1620-1621, the king was about 55.

Queen Elizabeth died in 1603.

1603

Tokugawa Iyeyasu (no longer a young man). By 1603 he had overcome his most serious rivals and procured from the Mikado his official appointment as shogun; an office which he made hereditary by instituting the practice of appointing his son to the Shogunate during his

own lifetime while keeping the actual
control in his own hands

1603

King James claimed that the English Parliament enjoyed powers and privileges as it possessed entirely by the King's grace. Friction arose especially as to the royal rights of taxation and control of religion.

(1566-1625) JAMES I of England and
JAMES VI of Scotland

son of Mary, Queen of Scots and
DARLEY. Born in Edinburgh Castle.
During his minority MORAY and MORTON
were the chief regents. He ruled alone
after 1581. In 1603 James succeeded
to the crown of England & Ireland. His
wish to rule absolutely and to tolerate
the Roman Catholics, soon brought him

in opposition to the House of Commons
In 1619, James's son-in-law was made
King of BOHEMIA as Frederick V. In the
Thirty Years' War which followed, James
refused to aid Frederick and the
Protestants on the Continent. Hoping now
to restore Frederick to the palatinate by
diplomatic means, he made every effort
to bring about a marriage between the
Infanta of Spain and Prince Charles. In this he
failed, the outcome of his efforts being war
with Spain. James was one of the most
learned men of his time.
